AGREEMENT ON REDUCING THE PRICES OF ROAMING SERVICES ON PUBLIC MOBILE COMMUNICATIONS NETWORKS

BETWEEN

INDEPENDENT REGULATORY AUTHORITIES IN ELECTRONIC COMMUNICATIONS AND OPERATORS OF PUBLIC MOBILE ELECTRONIC COMMUNICATIONS NETWORKS OF: ALBANIA, BOSNIA AND HERZEGOVINA, BULGARIA, MONTENEGRO, GREECE, CROATIA, KOSOVO, HUNGARY, MACEDONIA, ROMANIA, SLOVENIA, SERBIA AND TURKEY
Independent national regulatory authorities in the field of electronic communications (hereinafter referred to as "Regulators") and operators of public mobile electronic communications networks (hereinafter referred to as "Operators") from Albania, Bosnia and Herzegovina, Bulgaria, Montenegro, Greece, Croatia, Kosovo, Hungary, Romania, Slovenia, Serbia and Turkey

Recognizing the importance of electronic communication services for social and economic welfare;

Proceeding to further extend cooperation in issues concerning electronic communications services on the basis of equality and mutual benefit;

Pursuing to achieve a high level protection of consumers, competition and transparency in electronic communications market;

Considering:
- the high level of prices of roaming services in the signatory countries that make consumers avoid using their mobile phones when travelling outside their home country;

- benefits that the signatory countries and their users may have

hereby sign the Agreement on reducing the prices of roaming services on public mobile communications networks.

Article 1
Regulators and operators have agreed that the prices of roaming services should be reduced in signatory countries - parties to this Agreement.

Regulators and operators have agreed that maximum prices of roaming services have to be reduced in three stages, according to the time schedule and the level of maximum prices stated in the Annex, which is an integral part of this Agreement.
Article 2

Operators shall initiate procedures to amend the existing contracts on roaming within 60 days from the date of signing of this Agreement.

Article 3

If contracts referred to in Article 2 are not amended, Regulators will, no later than 90 days from signing of this Agreement, order the operators of electronic communications in their home countries to implement the agreed maximum prices of roaming services.

Article 4

Regulators will, in conjunction with the application of Article 2 of this Agreement, achieve necessary coordination so that the obligations of all parties to this Agreement would begin at the same time and be identical.

Article 5

Regulators and operators shall bear the costs of their own activities undertaken for the purpose of implementation of this Agreement.

Article 6

Regulators and operators will exchange on regular basis the information on the activities undertaken for the implementation of this Agreement.

Each Regulator will appoint two representatives in the Project Team that will monitor implementation, study and propose technical, legal and other activities for the implementation of this Agreement.

Article 7

High representatives of Regulators will meet at least once a year for consultation and consideration of the implementation of this Agreement, establishing the priorities for the next period, so that they would, if necessary, undertake joint actions and take common positions before national and European organizations that are responsible for electronic communications, and operators of electronic communications.

Article 8

This Agreement shall enter into force on the day of its signing.
